VANDALISM AGAIN: Non-thinking or malicious persons (at least two cars) deliberately drove and spun their cars on the lawn in front of the Shrine early last Monday. The ground being very soft considerable damage was done. The more we speak about such actions the more these childish people seem determined to destroy our beautiful grounds. This is your property and such malicious acts are costing you money. Those guilty are morally responsible to pay for the damage. Anyone, parents, young people or elders knowing anything about this are responsible before God to take some action. Once I have proof I will make charges and from the sheriff's department I have a pretty good idea who they are. I do not want to make trouble for any one, but we have to stop this destruction of property.
