**United Catholic Appeal:** I promised updates: Our weekly report from the Archdiocese reflected another increase! We are at **79 %** of our goal! Great progress! While only 70 of our registered families have pledged or donated so far, we are doing very well! Let's keep the momentum going! If you haven't sent in your check or pledge yet, now is the best time!

There are a number of boxes of 2019 **collection envelopes**, remaining in the entryway, some of them belonging to very active parishioners. If you have forgotten to pick them up during the holidays, please do so this morning. The remainder will need to be mailed, so please save us that postage. The use of the envelopes is very important to our bookkeeping and maintaining of all regulatory requirements to preserve our tax exemption status. We would be in a very tough place if we lost our exemption. So, thank you greatly for using the envelopes for your weekly contributions. A couple of reminders: When you attend Sunday or Holy Day liturgy at any of our neighboring parishes, please use the envelopes as you would here. We have an agreement with all of the local parishes. All envelopes are mailed (unopened) to the home parish on Monday morning. Even if you attend another church regularly, **WE** benefit if you use our envelopes.

Please see the bulletin insert today for the **Parish Six Month Financial Report**.

**\*\*\*Safety Committee:** The middle school student entering a school in Richmond, IN two weeks ago, and initiating a shooting exchange with police, ultimately ending in his own death, brought the issue pretty close to home. But the security "lockdown" at South Decatur last week opens our eyes to the fact that drugs and related danger are in our own neighborhood. That wasn't enough. To have Millhousen wake up to vandalism of multiple homes this week spells out the fact that things are changing right before our eyes. What are we to do? How prepared are we to keep our own children safe in this changing society? We want to be proactive. The Parish "**Safety Committee**" will convene in February, to look at ways we can continue to create a safe environment for all. If you think you would like to serve in this capacity, it is not too late to call the office and join in the planning.

**Faith Formation Commission:** On Tuesday, February 26<sup>th</sup> from 7:00 – 9:00 pm at Immaculate Conception (Millhousen), Ken Ogorek, Archdiocesan Catechetical Director, will offer a workshop on Faith Formation Commissions. The workshop is suitable as a refresher for long-time commission members, an orientation for new members, or an info session for prospective members. Please email kogorek@archindy.org to register and/or ask any questions you might have about this opportunity. While Immaculate Conception is sponsoring, hosting this event, it is being presented by the Office of Catechesis, and being offered multiple times throughout the Archdiocese. This February event will be offered to all members of the Batesville Deanery. Please register in advance so that accommodations can be made. We will need volunteers to bake cookies, to offer hospitality and be greeters. Sign up sheets in the entryway.

### **The SEASON is coming to end**

When the song of the angels is stilled,

When the star in the sky is gone,

When the kings and princes are home,

When the shepherds are back with their flocks,

Then the **WORK** of Christmas begins:

to find the lost

to heal those broken in spirit

to feed the hungry

to release the oppressed

to rebuild the nations

to bring peace among all people,

to make a little music with the heart . . .

And to radiate the Light of Christ every day, in every way,

In all that we do and in all that we say.

Then the work of Christmas begins.
