**A Word from Pope Francis:**

"From my point of view, God is the light that illuminates the darkness, even if it does not dissolve it, and a spark of divine light is within each of us."

"Although the life of a person is in a land full of thorns and weeds, there is always a space in which the good seed can grow. You have to trust God."

**Out of the mouths of God's kids:**

A small boy told a Sunday school teacher: "When you die, God takes care of you like your parents did when you were alive — only God doesn't yell at you all the time."
