Lenten Almsgiving Project: The Religious Education students' Lenten project was to raise funds for Catholic Relief Services. The students voted to designate that these funds be used to purchase a water pump with tools and training, and for childrens' vaccinations. Our initial goal was \$235. Thanks to the efforts of the students and their families, and the generous support from parishioners, the goal was reached and exceeded by a great amount. Our final total was **\$935.64!**

We will be sending this to CRS and asking that it be used to provide 2 water pumps and 30 childrens' vaccinations. The students and catechists would like to thank all of the members of the parish and our families and friends for their awesome support of this project!

Catholic Home Missions Appeal: Next Sunday April 28th is the annual collection for the Catholic Home Missions Appeal. Funds from the collection support a host of ministries and services here in the nearly 80 mission dioceses of the the United States and its territories.

Many of the home mission dioceses have small or widely dispersed Catholic populations and large or rugged areas of land that make it difficult to minister to the needs of the people.

Your generosity to the annual appeal provides the financial help to sustain core pastoral services and missions of mercy that spread the Gospel of Jesus here in the United States.

The envelope for this collection, however, is not in the proper sequence in your envelope box. It was misprinted with the date of June 30, 2024. If you want to be sure your donation is credited to your account for tax purposes at the end of the year, please use the envelope designated **Catholic Home Missions** with the June date. Thank You!!

Practice the Pause:

When in doubt, pause

When angry, pause

When tired, pause

When stressed, pause

And when you pause, pray!!
