He will answer them through a life-changing transformation of our own hearts. The 10th National Eucharistic Congress is an invitation to experience profound personal revival so we can be sent out to share Christ's love with a world that so desperately needs it. Whether you can come for one day or all five, join us for this generational moment. Details can be found on the Archdiocese web site.

Trinity Sunday: The Mystery of God

The first thing our parents taught us about our religion was most probably the sign of the cross. The last thing a priest will do at our graveside is make the sign of the cross over our body. A Christian's life is marked "in the name of the Father, and of the Son and of the Holy Spirit." The Sunday Bible readings often speak to us about the Father sending his Son or Word for our salvation and communicating the Spirit. The revelation of God as Father, Son and Holy Spirit tells us first of all what God is for us. But as to the mysterious unity of Father, Son, and Holy Spirit, we can only stammer with inadequate human concepts, which are not able to express the ineffable mystery of God in Himself. We want to know. But we must realize that more important than knowing *about* God is knowing God, the way two beloved know one another! An intimate person-to-person relationship give a knowledge that cannot possibly be expressed in human terminology. It is that kind of knowledge of God which ultimately satisfies a human being.

"Oh, the depth of the riches and wisdom and knowledge of God! How inscrutable are his judgments and how unsearchable his way!" (Rom 11:33)
