**The Assumption:** Although the actual dogma of Blessed Mary's Assumption body and soul into heaven was solemnly defined a relatively short time ago (1950), nevertheless the belief in this fascinating mystery has been cherished and upheld by the clergy, consecrated persons, and lay faithful for centuries.

When Pope Venerable Pius XII declared on Nov. 1, 1950, in the Apostolic Constitution *Munificentissimus Deus* (The Most Bountiful God), "that the Immaculate Mother of God, the ever Virgin Mary, having completed the course of her earthly life, was assumed body and soul into heavenly glory", he readily acknowledged that "Various testimonies, indication, and signs of this common belief of the Church are evident from remote times down through the course of the centuries."

It was fitting that God's Mother should possess what belongs to the Son, and that she should be honored by every creature as the Mother and as the Handmaid of God. If we strive for the fidelity that marked the earthly days of the Virgin, then we also will partake one day both soul and body in the Beatific Vision that she now possesses. Where Jesus and Mary are now, we hope to follow.

### **Cemetery Housecleaning:**

Cemetery guidelines request that flowers and decorations be put on a shepherd's hook, on the headstone, or on the concrete footer by the headstone. Several graves have flowers and decorations on the grave which interfere with the mowers. It would be appreciated if flowers and decorations were removed to make the mowing job easier.
