"Adopt a Seminarian" Program Each year, the Archdiocese of Indianapolis asks its parishes to "adopt" a seminarian. Each parish is assigned a seminarian to support through prayers and cards. Our assigned seminarian is Randy Schneider from All Saints Parish in Dearborn County. Randy is attending St. Meinrad Seminary. There is also a beginning seminarian with family ties to Immaculate Conception Parish--Adam Hermes, who is attending Bishop Brute College Seminary. There is a picture of each of these young men on the bulletin board in church. The Religious Education students will be praying for these seminarians, and later in the year, we will be sending cards and a "care package." Please pray for Randy and Adam and all the seminarians as we support their call from God to serve His Church.

Pope Francis has said many things, including:

Mercy: "A little bit of mercy makes the world less cold and more just".

Kindness: "Kindness is firm and persevering intention to always will the good of others, even the unfriendly".

Globalization: "Too often we participate in the globalization of indifference. May we strive instead to live global solidarity".

The cross: "The cross is the holy sign of God's Love, it is a sign of Jesus' Sacrifice".

The Church: "The Church always needs to be reformed, repaired"

The Journey Home:

Father Jerry Byrd, pastor of St. Mary's in North Vernon and St. Ann and St. Joseph parishes, in Jennings County, will appear on EWTN's "The Journey Home" on Oct. 7 at 8PM. When he attended his first Mass as a Protestant, he knew he wanted to receive the Eucharist. He was told he couldn't receive Communion until he became Catholic. He joined the Catholic Church and thought he would marry his then girlfriend. But God had other plans. A convert to the faith, Father Byrd was ordained in 2012. Father Byrd discusses all this on "The Journey Home".

A little humor:

While creating husbands, God promised women that good and ideal husbands would be found in all corners of the world.

And then he made the earth round.
