The Body and Blood of Christ: In an affluent society basic food such as bread and water is no problem. However, for many people in the world it still is. Thus they can understand better than we do that it is a real sign of love and care when God intervenes to feed his people. For them, water and bread are a question of life and death.

But we are often hungry and thirsty for other values than sustenance of physical life. In a depersonalized society we suffer from absence where there should be presence. We hunger and thirst for companionship, love, concern, mercy, respect, which are no problems in the great family of primitive people. Whose need is greater?

Where we suffer from absence, the Lord Jesus wants to be present to us with all the concern and love of a friend for a friend. He wants to share life. He wants to strengthen. He wants to mean something to you and me.

When we celebrate the Eucharist, we celebrate this mysterious presence of the Lord Jesus with the community.

“Whoever eats my flesh and drinks my blood will live in me and I in him, says the Lord.”

A little Humor: A pious man who had reached the age of 105 suddenly stopped going to Mass. Alarmed by the fellow’s absence after so many years of faithful attendance, the pastor went to see him. He found him in excellent health, so the priest asked, “How come after all these years we don’t see you at Mass anymore?” The old man lowered his voice. “I’ll tell you, Father,” he whispered. “When I got to be 90, I expected God to take me any day. But then I got to be 95, then 100, then 105. So, I figured that God is very busy and must’ve forgotten about me, and I don’t want to remind him.”
