Corpus Christi Procession:

All are encouraged to participate in a Corpus Christi Procession with the parishes of Napoleon and Osgood on Sunday, June 7, beginning at 1:00 p.m. The procession will start at St. John's Church in Osgood, continue to St. Maurice Church in Napoleon, and conclude at Immaculate Conception Church in Millhousen.

Following the procession, a potluck meal will be held, hosted by the Millhousen parish. Parishioners from Napoleon and Osgood are asked to bring desserts. A sign-up sheet will be available in the back of church to help us estimate attendance.

Joe Johannigman has generously offered Stone's to prepare fried chicken. Millhousen parishioners will supply potatoes, vegetables, salads, and beverages (water, lemonade, and tea).

We look forward to your participation in this beautiful celebration of our faith.

Trinity Sunday: The revelation of God as Father, Son and Holy Spirit tells us first of all what God is for us. But as to the mysterious unity of Father, Son and Holy Spirit, we can only stammer with inadequate human concepts, which are not able to express the ineffable mystery of God in himself. Human beings want to know. But we must realize that more important than knowing **about** God is **knowing** God. In the first reading God's people have made a golden calf to worship. Moses, coming down from the mountain, sees the infidelity, becomes angered, breaks the tablets of the law and destroys the calf. But Moses goes back to God, who appears to him again. And Moses asks God to come along in their company. "This is indeed a stiff-necked people; yet pardon our wickedness and sins and receive us as your own. "

A little humor: Sister Mary, who worked for a home health agency, was out making her rounds visiting homebound patients when she ran out of gas. As luck would have it, a gas station was just a block away.

She walked to the station to borrow a gas can and buy some gas. The attendant told her the only gas can he owned had been loaned out, but she could wait until it was returned. Since the nun was on the way to see a patient, she decided not to wait and walked back to her car. She looked for something in her car that she could fill with gas and spotted the bedpan she was taking to the patient. Always resourceful she carried the bedpan to the station, filled it with gas, and carried the full bedpan back to her car.

As she was pouring the gas from the bedpan into her tank, two men watched from across the street. One turned to the other and said, " If that thing starts, I'm turning Catholic!"
