Why the Rosary Still Matters in Today's World

We live in a world filled with anxiety, division, and uncertainty. The Rosary offers something different:

- Peace in the middle of chaos
- Hope when situations feel impossible
- Connection to God through Mary's guidance

For missionaries, this prayer is more than tradition, it's strength.

In places where resources are limited, the Rosary becomes:

- A source of comfort for families
- A way to teach the Gospel
- A tool for building faith community

October is the Month of the Rosary

"To recite the Rosary is nothing other than to contemplate with Mary the face of Christ."

-St. John Paul II

During this special month dedicated to Our Lady of the Rosary, let us take time each day to pray the Rosary for our families, our parish, our Holy Father, and the unity and peace of our Church and world.

St. Padre Pio

"In times of darkness, holding the Rosary is like holding our Blessed Mother's Hand."

Pope Leo XIII strongly promoted the Rosary as a powerful prayer for the needs of the Church and the troubles of society.

Pope Leo XIV.... The rosary is especially timely for October 2026. "Grant us Peace!"
